Any Soldier, Inc. Supports Troops

Week of March 05, 2007

Any Soldier Inc. started in August 2003 as a simple family effort to help the soldiers in one Army unit. Due to overwhelming requests, the Any Soldier effort was expanded on January 1, 2004 to include any member of any of the Armed Forces that is in harm's way. Receiving letters is the most requested thing by the Soldiers, and the [Any Soldier, Inc. website](#) gives directions on how to send letters to the Soldiers. The website also provides a message board so recipients can make special requests, post photos and messages or express appreciation to those who send items. For more information, visit the [Any Soldier, Inc. website](#).

Looking for ways to support and honor U.S. military servicemembers and veterans who protect our security and freedom? Go to the Military.com [Support our Troops webpage](#) to learn more.
